reinhartl@delawareareacc.org

Category where your program should be listed: Customized Training, Education, Adult Training Courses

Name of your program: Customized Training

Description of your program:

Both the high school and adult education programs offered at the Career Center have opportunities for affordable customized training to fit the needs of your ideal

team. Customer service, CPR, self-defense and computer training have been some of their most popular customized training courses, but can be flexible to whatever needs your business needs.
