Category where your program should be listed: Social Services, Staffing Services

Name of your program: Workforce Development Program

Description of your program:

Goodwill helps individuals with disabilities and other barriers to employment explore possible careers, prepare for the job market and find appropriate employment opportunities within their community.

Goodwill's services are designed to ensure individuals are well matched to the job, therefore achieving success in the workplace. Funding is available from various

agencies to assist employees with training, job coaches, workplace modifications and more.
