

Delaware County Community Development Block Grant (CDBG) Public Services Application – FY 2025

Introduction

Delaware County is accepting applications for Program Year (PY) 2025 CDBG Public Services funding. Eligible activities must provide direct services to low- and moderate-income (LMI) residents and address documented community needs. All projects must comply with HUD requirements and the instructions contained in this application.

Eligible Applicants

Eligible applicants include **nonprofit organizations** located in or serving residents within the following eligible jurisdictions:

- Orange Township
- Marlboro Township
- City of Powell
- Village of Ostrander
- Village of Shawnee Hills

Organizations must demonstrate the ability to manage federal grant requirements.

Available Funding

Delaware County anticipates awarding approximately **\$61,167.30** in CDBG funding for eligible Public Services activities. Matching funds are **not required**, but all other funding sources must be **fully identified at the time of application**.

- Funds are provided on a **reimbursement basis**.

- Program activities **may not begin** until the County completes the required **NEPA environmental review** and issues written authorization to proceed.
- The grant period ends **September 30, 2026**, with final reporting due **October 31, 2026**.

Submission Instructions

Answer the following questions about your project and save a copy of this document as a PDF file. Visit <https://www.surveymonkey.com/r/YCKDD23> to complete your application and to submit this, as well as other supplemental documents.

Program Title:

Project title:

Community Need

- Describe the community need that this program addresses. Reference any relevant adopted County or local plans (e.g., Consolidated Plan, Fair Housing Analysis of Impediments, community needs assessments).

- Describe barriers faced by the target population and how this program addresses those barriers.

- Describe how the program meets a National Objective and attach required supporting documentation (client income verification method, presumed benefit category, service-area data, etc.).

Program Delivery

- Describe the public service activities to be delivered, including frequency, format, and location.

Performance Outcomes

- Number of individuals or households expected to be served:

- Describe your methods for collecting and reporting client data, including income eligibility documentation.

Organizational Capacity

- Describe your organization's experience providing public services to LMI populations.
- Describe staff qualifications and roles for this program.
- Describe your experience managing federal or state grants, including reporting, monitoring, and compliance.
